

We Invite You To Partner With Us

At VBCI, we have a vision to impart the Victory Vision to today's youth, and equip the next generation of Christian leaders. But, we can't do it alone! It's only as individuals and churches partner with us that this dream can become a reality. Your generous gifts to VBCI enable us to equip our youth to become individuals of outstanding character, equipped to answer God's call and make an impact on our nation and the world.

It is for this reason that we invite you to become a monthly partner of VBCI. Partnership is a way of joining hands and joining resources to do more than either one of us could ever do alone. By standing together in faith and prayer, we can train young men and women to reach this world with the gospel of Jesus Christ.

What Is Partnership?

Every *partnership* is a relationship based around common goals and aspirations. To reach these goals, each of the parties must be committed to each other and to the vision as a whole.

Our Commitment To You:

When you become a partner with us, we commit to pray for you daily. You will also receive a Partner Package, which includes the following items, designed to help you in your personal walk with God:

- 1.) **A "WELCOME TO THE FAMILY" CD** – Exploring the power of Partnership.

- 2.) **A MEMBERSHIP IN OUR CD/TAPE OF THE MONTH CLUB** – Receive monthly teaching from one of our VBCI instructors, designed to help you fulfill your destiny.
- 3.) **YOUR VBCI PARTNERSHIP CARD** – Use your partner number to receive 10% off materials available from VBCI, including teaching manuals, CD's, Correspondence Courses, Videos and more!
- 4.) **DISCOUNTED CORRESPONDENCE COURSE FEES** – Partnership entitles you to one free introductory course, plus 10% off any future courses you may enroll in, as you work toward your VBCI diploma or degree.
- 5.) **A QUARTERLY NEWSLETTER** – Each quarter, you'll receive encouraging news of how your giving is changing lives at home and abroad.

Your Commitment To Us:

First and foremost, we ask all of our partners to spend time daily, praying for this ministry. Great things happen when our "prayer warriors" are at work and we can sense the difference, when our partners are praying.

Secondly, we ask that our partners join with us in a tangible way, through their generous monthly gifts to this ministry. VBCI is a vital part of the church planting vision of Victory Churches International. When you partner with us, you are investing in the lives of the future pastors and leaders within the Victory organization.

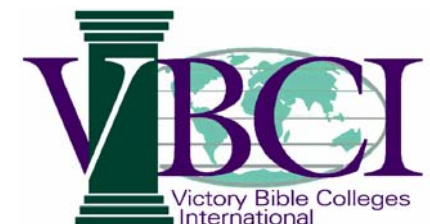

How Will Your Gifts Be Used?

Your monthly gift to VBCI helps us to accomplish the following:

VBCI has trained hundreds of young men and women who are making a difference in every aspect of society. Our graduates include successful pastors, church leaders and businessmen and women who are taking the Word to their world. Here are some examples:

In 1999, Trevor Hoffman planted a church in Penticton, B.C. In only five years, the church has grown to over 200, and is a strong witness for the Lord. Scott Bartlett, senior pastor of The Gate in Lethbridge is reaching people with the good news of Jesus Christ, and equipping a generation of young adults to reach their world for Christ.

There are Victory Bible Colleges in twelve other countries, including Africa, India, Mexico, Thailand and the UK. Our VBCI Calgary Campus oversees and supports each of these Victory Bible Colleges around the world. Thus, when you become a partner with us, your giving has worldwide impact, and helps us to minister to our colleagues around the globe, and well as to train men and women to become effective workers in the harvest field.

VBCI PARTNERSHIP

Equipping Students With...

1) Passion - At VBCI, we seek to equip our students with a passion for God that overshadows a passion for all else. The most important thing in all the world is loving God. At VBCI, we are fervently committed to imparting a passionate love for God into our students with all their hearts, souls, mind and strength; and to see this love for God reflected in their time, talent and treasure. We want to teach our students an intimate love relationship with God, which is the foundation of *survival* in the Kingdom of God.

2) Purpose - We believe that every Christian has a general purpose which applies to all believers, that of loving God and loving people through reaching, teaching and mobilizing them. But, we also believe that every person comes equipped with a specific, God-given destiny for their lives, a specific “*make-up*”. Thus, we strive to help people to explore and discover their specific and unique God-given purpose. This is the foundation for *success* in the Kingdom of God.

3) Potential - At VBCI, we believe that every person has an enormous potential to be a blessing to others around them, the local church, and the world. Thus, we strive to equip our students to give themselves without reservation to the awesome privilege of being used to minister to people all around them in their unique, God-given way. This is the foundation for *significance* in the Kingdom of God.
